## DOCUMENT STANDARDS

### Minnesota Statutes 507.093

#### STANDARDS FOR DOCUMENTS TO BE RECORDED OR FILED (IN PART).

a) The following standards are imposed on documents to be recorded with the County Recorder or Registrar of Titles:

1. The document shall consist of one or more individual sheets measuring no larger than 8.5 inches by 14 inches.
2. The form of the document shall be printed, typewritten, or computer generated in black ink and the form of the document shall not be smaller than 8-point type.
3. The document shall be on white paper of not less than 20-pound weight with no background color, images or writing and shall have a clear border of approximately one-half inch on the top, bottom and each side.
4. The first page of the document shall contain a blank space at the top measuring three inches, as measured from the top of the page. The right half is to be used by the County Recorder or Registrar of Titles for recording information and the left half is to be used by the County Auditor or Treasurer for certification.
5. The title of the document shall be prominently displayed at the top of the first page below the blank space referred to in clause (4).
6. No additional sheet shall be attached or affixed to a page that covers up any information or printed part of the form.
7. A document presented for recording or filing must be sufficiently legible to reproduce a readable copy using the County Recorder's or Registrar of Title's current method of reproduction.

### Minnesota Statutes 508.82 REGISTRAR'S FEES

Subdivision 2 - Variance from standards. A document should conform to the standards in section 507.093, paragraph (a), but should not be rejected unless the document is not legible or cannot be archived. This subdivision applies only to documents dated after July 31, 1997, and does not apply to Minnesota uniform conveyancing blanks on file in the office of the commissioner of commerce provided for under section 507.09, certified copies, or any other form provided for under Minnesota Statutes.

Effective July 1, 2005.

### FEES

#### Minnesota Statute 357.182 Sub 2. County fee restrictions

Notwithstanding any local law or ordinance to the contrary, no county may charge or collect any fee, special or otherwise, or however described, other than a fee denominated or prescribed by state law, for any service, task, or step performed by any county officer or employee in connection with the receipt, recording, and return of any recordable instrument by the county recorder or registrar of titles, whether received by mail, in person, or by electronic delivery, including, but not limited to, opening mail; handling, transferring, or transporting the instrument; certifying no delinquent property taxes; payment of state deed tax, mortgage registry tax, or conservation fee; recording of approved plats, subdivision splits, or combinations; or any other prerequisites to recording, and returning the instrument by regular mail or in person to the person identified in the instrument for that purpose.

See Sub. 3 for timely recording requirements.
